Seconda prova: traccia 1

Il comune deve procedere al rifacimento di un piccolo tronco di fognatura.

Il candidato rediga un computo metrico estimativo descrittivo (senza importi e calcoli) dei lavori da realizzare.

Three handwritten signatures are present in the lower right quadrant of the page. The first signature on the left is written in black ink and is highly stylized and illegible. The second signature, located to the right and slightly above the first, is also in black ink and appears to be a cursive 'M' or 'W'. The third signature, positioned below the second, is written in blue ink and is also illegible.
